

T11-2099 – HIDDEN VALLEY RACEWAY – CIVIL WORKS ASSOCIATED WITH VEHICLE BARRIERS

SCOPE OF WORKS

In 2012 NSCON was engaged by Diggamen to modify existing surface levels to the surrounding areas of barriers and regrade and improve the surface textures and finishes. 1,700m³ of material was relocated and removed.

NSCON was required to adhere to a strict timeframe, requiring completion of the project prior to the V8 Supercars event. The project was successfully completed on time, budget and without incident.
