

ST PAULS PRIMARY – TOILET BLOCK REFURBISHMENT

SCOPE OF WORKS

NSCON was engaged by Catholic Education to demolish and refurbish existing toilet blocks within the upper primary section of St Pauls Primary School. The scope included demolition, installation, plumbing, electrical, floors and walls, doors, gates and windows, vinyl graphics, mechanical exhausts, new drinking troughs.

Key requirements included:

- ✓ Minimal disruption
- ✓ Adhere to strict working hours, after hours
- ✓ Adhere to strict WHS requirements
- ✓ Provision of temporary toilets
- ✓ Provision of specified materials and products

Project was headed by Steve Kiranou using local subcontractors and suppliers.
